

RAILROAD NOTES

Brakeman Tragouer laid off Tuesday and left for South Dakota Wednesday where he will try his luck at the land drawing.

The last card from the newlyweds Mr. and Mrs. R. J. Burke was from New York City. Dick says, "We are having the time of our lives."

Brakeman C. B. McGrew has resigned and will go from here to Denver.

Mrs. Allen, wife of engineer Guy Allen, left last week for a visit with her folks at Logansport, Indiana. Guy had planned to go but at the last minute business was so rushing that he could not get off.

Fireman Fowler has been having a very painful siege the last few days with a broken finger on his right hand. He will be on the relief some time.

Mrs. Houston, wife of brakeman Houston, arrived in Alliance Wednesday noon from Creston, Iowa. They will go to housekeeping at once at 223 Toluca Ave.

The C. B. & Q. will handle the Taft special over their road from Deadwood to Crawford Oct. 21. Quite a number of the officials from here went up to the high line to see that everything is O. K.

Don B. Wagner of the train master's office was among those who went west for the Dakota land drawing.

Word comes from Omaha from Mrs. Halverstadt that she is slowly improving. Mrs. Halverstadt is in the Presbyterian hospital where she has undergone a very serious operation. Her many friends here hope for her speedy recovery.

Fireman B. F. Trenkle, now of the east end, was in Alliance the first of the week calling on friends.

Mr. C. E. Dyer of Denver is a new employee in the train service. He will move his family here soon.

Brakeman Wilcott has rented the Brown property on Laramie avenue. He expects his wife and family from Sutherland, Nebr., about October 22.

Mrs. Sexton, wife of brakeman Sexton, returned Tuesday to her home in McCook after a ten days' visit with her husband in the Newberry Block. Mrs. Sexton will return a-

bout November 20th and spend Thanksgiving in Alliance. Tho here only a short time she was much pleased with Alliance and Alliance people and wishes to make this her home as soon as arrangements can be made.

Mrs. John Beck left Monday for Lincoln, where she will visit for a few days. From Lincoln she will go to Lexington where she will visit her daughter and grandson.

Mr. P. L. Stuart, who has been employed here the past eighteen months resigned. Pat was a good brakeman and very well liked among the men. He goes from here to Texas, where he will help his father on a large farm.

W. D. Evans, former time keeper has gone to Lincoln to visit his parents. Mr. Evans is as yet undecided as to what his plans for the future will be.

Mr. Graham, agent at Ardmore, has resigned, effective October 17. Mr. Graham has a Kinkaid near Ardmore that will occupy all of his time.

Claude McDonald, formerly of the Superintendent's office, has been promoted to the position of time-keeper effective Oct. 10. Mr. McDonald is a young man for this position, but he has earned it by his capable work and honest endeavor in his work for the company. Claude is an Alliance boy and his many friends are proud of his rapid promotion.

Mrs. E. R. Morrison is entertaining her sister Mrs. J. C. Morrison of Lincoln. Mrs. Morrison is on her way home from the coast where she has been spending the summer. It is rather an interesting coincidence that the two ladies are sisters and the gentlemen brothers. Mr. E. K. Morrison is travelling engineer on the Alliance division and Mr. J. C. Morrison is travelling engineer on the Lincoln division.

The G. I. A. Ladies' Auxiliary to the Locomotive engineers had a called meeting at the K. C. Hall Monday afternoon. They had with them Mrs. J. E. Fairhead of Corington, Kentucky, who is the Grand Chaplain of the G. I. A. Lodge. Mrs. Corington has been making a tour of inspection that included the coast states. She came here from Sheridan and went on to Lincoln. At six p. m. a very elaborate banquet was served in Mrs. Fairhead's honor. Later the ladies, eighteen in number, attended the Majestic Theater. The tables were decorated with the colors, royal purple, blue, white, and

cardinal. In a few well-chosen words Mrs. Jennie Morrison presented the lady with a beautiful Alliance souvenir spoon. Mrs. Fairhead said this was one of the best posted, best drilled lodges she had visited and the reception given her by the ladies here was the best she had received anywhere. Alliance certainly has reason to be proud of the G. I. A. Lodge here.

Last week we should have mentioned the visit of Mr. and Mrs. T. H. Beeson over Sunday with Mr. Beeson's parents, at Gering.

Mrs. Zurcher of Lakeside came to the St. Joseph Hospital Monday morning, where she submitted to an operation and is reported to be getting along very well.

Arthur Haines, the expert ice cream maker of the Holsten drug store, returned Monday from a ten days' visit in Colorado, most of which time was spent at Denver and Colorado Springs.

W. H. Zehrung returned last Friday from Beatrice, where he has been spending several weeks. He is very much improved in health. We might say he is practically well, as he is again attending to business personally.

Mrs. H. E. Anderson of Newcastle, Wyoming, who was operated on at the St. Joseph Hospital in this city last week, is reported as getting along very well.

We wish to call your attention to the Gray & Guthrie prize contest, notice of which is published elsewhere in this issue of the paper. This is a contest in which the losers win, that is, they receive benefit from the efforts in writing the essay to be submitted in the contest, besides those prizes, amounting in all to \$36.00, are worth putting forth an effort to secure.

Good, strong boy, 16 years old, would like place to work while attending school. Either inside or outside work. Inquire at this office.
